Client Quick Guide for Apple iOS

Submitted by Anonymous (not verified) on Thu, 2017-06-15 10:53

Quick Guide to get end users familiar with installing and using DME on their **Apple iOS** devices. Partners and customers are free to customize this Quick Guide in Word format.

- Change it so it fits with your actual deployment method.
- Translate it.
- Add internal help desk details.
- Add branding.

You are most welcome to send your customized and translated versions back to me - as an inspiration. Send it to documentation@solitonsystems.com - thank you!
