# Quick Guide for iOS Client towards the DME 5.0 server

Submitted by Anonymous (not verified) on Thu, 2017-11-02 12:47

Quick Guide for iOS client towards the new DME 5.0 Server.

Quick Guide to get end users familiar with installing and using DME on their Apple iOS devices.

Partners and customers are free to customize this Quick Guide in Word format.

Change it so it fits with your actual deployment method.

Translate it.

Add internal help desk details.

Add branding.

You are most welcome to send your customized and translated versions back to me - as an inspiration.

Send it to [documentation@excitor.com](mailto:documentation@excitor.com) (link sends e-mail) - thank you!
